

“Qwizdom is the most amazing teaching tool that I have ever used.”

Tom Tamburello
LENAPE HIGH SCHOOL

Systems Features

- Use seamlessly with your favorite applications on Windows or Macintosh.
- Access thousands of premade lessons, question sets, and learning objects.
- Easily move devices from class to class and login by user ID or session (class) ID.
- Supports unlimited number of ‘paperbased’ activities at the same time (versions of test, students on ILPs, etc.).
- Automatically enter and score students’ responses.

Specifications

- Two-way RF technology based on 802.15.4 IEEE standard.
- Large LCD display with on-screen question text capability.
- Text questions display on screen.
- Up to 100 meter range and 1,000 remotes per host.
- Dimensions are 6 x 13.2 x 2.5 (cm) (WxHxD)
- Supports Multiple Mark, Sequencing, Rating Scale, Yes/No, Numeric (including fractions, decimals, and mixed expressions), Multiple Choice, True/False, Text Input, and Text Edit question types.
- Two AA batteries—last a full year with typical usage.
- Right/Wrong indicator feature provides students instant feedback after every question.
- Help option lets students discreetly signal the instructor for assistance.
