

SMS FLATSCREEN CH ST

600/1150/1450/2000

A view from above.

SMS Flatscreen CH ST is an elegant bracket for heavier screens. Solid, reliable construction is combined with classic design that blends in perfectly with any interior. Despite its reliable construction, the CH ST still allows complete freedom of movement – you can tilt your screen forward and swivel it from side to side. The height of the pillar is also adjustable. Visitors will look at this bracket with an admiring eye.

Special features.

The design of the adapterplate makes it easier to mount. The design of the pillar allows you to, stepless, raise and lower your screen and shelves. The SMS Flatscreen H2 Unislide is included in the package.
