

VARIABLE SIZE

Available in eight different size combinations:

- 1/ Select a small or medium top plate package which includes the top and bottom plates, locking collars, and locks.
- 2/ Then choose a side package which includes eight sides and comes in four sizes.

2 DIFFERENT KEYS

The two locks do not use the same key, creating delay for a thief as they struggle to figure out which key is for which lock. The same two keys are provided with every TM-CAGE so that a facility manager only needs to have two keys with him at any time.

CLOSE-FITTING

Eliminating unnecessary bulk means the cage conforms as closely as possible to the size of the projector, which allows a more secure design and makes it more attractive.

VISUAL DEFENSE

The TM-CAGE is obvious but unobtrusive, serving as an effective visual deterrent.

LIGHT-WEIGHT

Weighing in at only 3.5kg, the enclosure assembles like a puzzle making it deceptively secure.

FLAT-PACK

The modular design allows compact packaging.

COOLING, CABLE, & IR ACCESS

Sliding side panels allow unimpeded connectivity, open airflow, and IR remote control access.

FITS ALL BRACKETS

Fits all Vision projector mounts including the TM-ST boom.

30° TILT

Unrestricted pitch and roll adjustment.

FOAM BLOCKS

Of various thicknesses included to isolate the projector from vibration.

110dB ALARM LOCKS

Two hardened locks have built in motion-sensing alarms. Push-to-lock speeds up installation time.

ASSEMBLY STEPS

- 1/ Put projector onto bottom plate
 - 2/ Add sides
 - 3/ Fit top plate
 - 4/ Attach projector mount
 - 5/ Fit collars
 - 6/ Fit locks
- Done!

ASK DAVE...

If you have any questions just ask Dave. He's an installer just like you and he'll be happy to help. Go to www.visionaudiovisual.com/askdave

SPECIFICATIONS

PLATE LENGTH BY WIDTH SIZES

Small: Accommodates projectors up to 315 x 235mm
Medium Accommodates projectors up to 375 x 300mm

SIDE HEIGHT SIZES

80mm
100mm
120mm
160mm

BOX DIMENSIONS

Small Plate Package 326 x 222 x 77mm
Medium Plate Package 386 x 287 x 84mm
80mm Side Package 98 x 87 x 66mm
100mm Side Package 118 x 87 x 66mm
120mm Side Package 138 x 87 x 66mm
160mm Side Package 178 x 87 x 66mm

PACKAGED WEIGHT

Small Plate Package 4.8kg
Medium Plate Package 3.8kg
80mm Side Package 1.0kg
100mm Side Package 1.1kg
120mm Side Package 1.2kg
160mm Side Package 1.4kg

SAFE WORKING LOAD 7kg

BATTERIES (SUPPLIED):

6 x LR44 (aka AG13) Batteries per lock

COLOUR

Satin White

WARRANTY:

2-year return to base

ACCESSORIES INCLUDED

16 x High density packing foam blocks
1 x Lock Hex Key
2 x Disc Locks
