SMS FLATSCREEN **X**
WFH VIDEO CONFERENCE

Secure distance conferencing with twice the image area.
A video conference system mounted on the wall or standing on the floor, with space for double screens of dimension 42-52" (depending on VESA) and a top-mounted video camera. The camera shelf and its bracket are ordered separately. The system can be fitted with electrical power sockets (ordered separately) and it is easy to add shelves and cabinets for DVDs and other peripherals, depending on the column length selected.

The X series is characterised by clean and refined features. The cable holder, for example, into which it is easy to place all cables by hand. The surface finish has also been given extra attention.
